

Lost at Sea: the story of the baby fish

<https://www.youtube.com/watch?v=g3clr9RomPM>

Watch the video at the link above, then answer the questions to earn 30 minutes in your passport!

1. How does the baby fish find the reef?
2. What are humans burning?
3. What does this do to the ocean?
4. How does this affect fish?
5. Who and what will be affected if the numbers of fish decrease?
6. What can we do to prevent further changes to the ocean?
